AMENDMENT A - claims

Commissioner for Patents
Mail Stop Amendment
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Action dated 3/1/2007, it has come to my attention that there was a misunderstanding as to what exactly was the problem with the original claim set filed in the current amendment so the prior claim set filed was in error. Please accept the claims in the appendix below as the pending claims to be examined along with my previously filed office action response.

Respectfully submitted,
Bay Area Intellectual Property Group, LLC
